

Applying for Primary School

A step-by-step guide for parents of children starting primary school in September 2017

September 2017

This booklet is for parents of children born between 1 September 2012 and 31 August 2013

This booklet provides a summary of how to apply for a primary school place for September 2017. Full details of the admission arrangements for all our schools and academies can be found on the Bradford Council website www.bradford.gov.uk/education

Save time – apply online!

www.bradford.gov.uk/admissions

It's quick

register your details and make your application

It's available

seven days a week from 14 November 2016 until the closing date on 15 January 2017

and.....

- You will receive an email confirming receipt of your application when you apply online
- You can log back on at any time to make changes up to the closing date
- You will get an email on 16 April 2017 to tell you which school your child has been offered

Application checklist

- ✓ Use the Bradford online system to apply if you live in the Bradford area
- ✓ List up to five schools, within or outside the Bradford area
- ✓ Fill in and return supplementary information forms (SIF) to schools that require them, for example, faith (Catholic and Church of England) schools, Bowling Park Primary and Dixons Music Academy
- ✓ If applying for priority due to medical or social reasons, ensure you do so at the time of application and ensure you provide supporting evidence from relevant professionals (see page 3)
- ✓ If you have moved recently or intend to do so, check the rules and what evidence we require as this will affect your application (page 4)
- ✓ Have you checked the latest school travel policy? For further details go to www.bradford.gov.uk/schooltravelpolicy
- ✓ Apply by the closing date, 15 January 2017

Do you need more information? Contact details for the Admissions Team are shown below.

There is also a useful guide on the Bradford Council website to show you how to apply online. Visit www.bradford.gov.uk/admissions

Department of Children's Services

Apply online by 15 January 2017

Different types of schools = different admission rules

Community schools: The majority of primary schools in the Bradford District are community schools. The local authority provides the funding and also makes decisions on admissions.

Academies and free schools: These schools are funded directly by the Department for Education and governors make decisions.

Foundation and trust schools: The local authority provides the funding and school governors make decisions.

Voluntary-controlled schools: These are Church of England schools. The local authority provides funding and makes decisions on admissions. If you are applying for faith reasons, you would need to provide us with a letter from your church minister confirming that you regularly attend church. Without a supporting letter, your child would not be considered on these grounds.

Voluntary-aided schools: The local authority provides the funding and school governors make decisions on admissions. All Catholic schools and some Church of England schools are voluntary-aided. If you are applying for faith reasons, it is very important to complete a supplementary information form and return it to the school by the deadline date, otherwise your child will not be considered on these grounds.

Proposed changes:

Following consultations the following permanent changes are due to take effect from September 2017:-

- **Parkland Primary** will increase its Published Admissions Number from 30 to 60

Step 1 How do I decide which schools to apply for?

You should collect as much information as possible about the schools in your area, especially their admission procedures. You can do this by:

- visiting the Bradford Council website, www.bradford.gov.uk/admissions where you can find:
 - full details of all schools' admission arrangements in the 'Guide For Parents'.
 - Last year's allocation figures for each primary school.
 - 'School Finder' - a map giving the details of schools in the Bradford Authority and distance from your postcode.

- arranging to visit the primary schools in your area during the school day and finding out what before and after school care facilities there are if you require them.
- viewing the school websites or their prospectuses for information on what each school can offer;
- visit the Ofsted website www.ofsted.gov.uk where you can read the latest Ofsted report for your preferred schools.

Step 2 How do I apply?

Be realistic

Many schools are oversubscribed and receive more applications than they have places to offer. Even if you live within a Priority Area, you may not qualify for a place if 'distance criteria' is part of the admissions policy. The number of primary students competing for places is high every year and the fact that a neighbour was offered a place before does not mean you can rely on a place being allocated this year. We strongly advise that you use all five preferences and include your nearest school or where applicable all the schools whose Priority Area you may be in to maximise your chances of being offered a locally accessible school.

Make your preferences count

If you only apply for one school your child will only be considered for that one school. If you do not qualify for a place, you will be allocated a school with an available space after all allocations have been made, this may not be local and could involve several bus journeys. You will only be able to appeal for the school you have applied for and you will only be able to add your child's name to the waiting list of the school you preferred or other undersubscribed schools. Last year nearly 97.85% of children were offered one of their preferred schools.

Continued on next page

Step 2

continued

How do I apply? (continued)

Application forms

- You need to apply to the local authority where your child lives (your home council). If your child lives in the Bradford District, you should apply online on the council's website, www.bradford.gov.uk/admissions.
- If you apply online you will receive the offer of a school place on 16 April, by email and will not have to wait for the postal service.
- If you are unable to apply online a paper application form will be available from the Admissions Team. This form must be returned to your primary school or to the Admissions Team to the address on the form and this booklet. You must apply online by 15 January 2017 and if you apply by form it must be handed in or received by post by 15 January. If you return the form by post to the Admissions Team we are unable to verify if it has been received and advise that you hand it in or send it recorded delivery. If you hand it in please ask for a receipt.
- You should list five schools you are prepared to consider in the order you prefer them. You can apply for any school in the Bradford district or outside the district except fee-paying schools. You should find out about the admission arrangements for each school before making your application.
- Where the child lives with separated parents who both have shared responsibility you must both agree which address to use before you make the application and agree on the preferences, otherwise the Local Authority will decide which address should be used and allocate a school with a place, after all other allocations.
- You must confirm that you have parental responsibility and that the information you have given is accurate. If you give deliberately false or misleading information or withhold important information that could affect your application, it may result in the place offered being withdrawn. You would then need to apply again, possibly after all allocations have been made, and legal action may be taken.

Supplementary Information Forms (SIF) and supporting letters

- If you are applying for a school for faith reasons, you must also fill in the SIF which is available on our website or from the school. You will need to fill in a SIF for each school you apply to for a faith place and return them to the schools by 15 January 2017. Each application must be supported by a baptismal certificate (for Catholic schools) or a letter from your church minister or religious leader – the relevant school's form will tell you what you need to attach.
- If you are applying for a voluntary-controlled church school on faith grounds, you need to send the Admissions Team a supporting letter from your church minister to confirm regular attendance at church. Although All Saints CE Primary (Ilkley) is a voluntary-controlled school, you and your church minister need to complete their supplementary application to confirm fortnightly attendance at church for the past three years to be considered on faith grounds.
- If you are applying for one of the six music places at Dixons Music Primary, you will need to complete the school's SIF and return it to the school by **3.30pm, Friday 25 November 2016**. Your child will then be invited for an audition.
- Looked after children or those who were previously looked after but ceased to be because they were adopted or became subject to a residency order or special guardianship order are given priority in every admissions policy. You will need to provide evidence of this to the Admissions Team by the closing date, if you are applying for this priority.
- Some schools give priority to children who have **significant medical or social needs** which can only be met by a specific school. If you are applying on these grounds, you must provide written evidence from a hospital consultant or paediatrician or a relevant professional for social grounds. The evidence must explain why it is the **only** school that can meet your child's needs. Please read each school's admissions policy as not all schools give this priority.
- **If you apply online you will receive an email to confirm that you have submitted your application successfully. If you decide to change your application you can log back in and do so but you must ensure that you 'resubmit' your application. You will receive another email confirming your new preferences.**

Step 3 How do you deal with my application?

- Each school has a Published Admission Number (PAN), which is the number of children that will be offered a place. Each school has its own admission policy and these will be different depending on the school and the type of school. The policy or rules determine which children are offered places. For most primary schools, children with brothers or sisters attending the school are given priority. Then places are allocated in distance order until the PAN is reached. However, there are 10 primary schools who have 'priority areas' so it is important that you understand the level of priority your child will receive based on the schools admission policy.
- It is very important that you read the policies and the 'Priority Areas' for the schools that you are applying to, in order to understand whether your child may be offered a place. In addition you can find out the distance the last child was offered a place in the previous year by looking at the 'Guide for Parents 2017-2018'. Full details are available on each school's website as well as the Council website.
- We apply the Council's policy to decide which applicants will be offered places at community schools, considering any supporting evidence provided. If you have applied for any other type of school we will inform them of the application and they will tell us if a place can be offered, taking into account any evidence provided or the supplementary information form, if one is required.
- It is important that you understand the policies of the schools that you are applying for so that you can have an idea of whether or not your child will be offered a place based on previous years, priority areas or distance. We advise you to seriously consider preferencing a local school or your 'Priority area' school(s) to ensure you maximise your chances of being offered one of your preferences.
- **There are many myths around the order in which you preference your schools.** Only the Admissions Team know which order you have preferenced your schools, each preference is treated separately to see if you can be offered a place in any or all of your preferenced schools. If your child can be offered more than one school, the order in which you have made your preferences enables us to offer you the highest preferenced school for which you qualify.
- **You will receive an email on 16 April 2017, if you applied online.** If you did not apply online, you will only receive a letter. All letters will either be handed out through the nursery provider or posted 2nd class post to Bradford residents.

Step 4 What if I miss the deadline or want to change my preferences?

- **Before decisions about offers are made**
The closing date for you to apply is 15 January 2017. If we receive your application after this date, it will only be considered if we receive it before decisions about offers of a place are made (mid February) and where there are exceptional circumstances, such as a house move. We are also unable to accept changes to your preferences unless there are exceptional changes in your circumstances.
- **Late applications**
Any application received after the 15th January, where exceptional circumstances do not exist, will only be considered after all on time applications, where possible. Offers will be made on offer day if we have been able to include the late application in the process. If we have been unable to process the late application by offer day it will be processed with all late applications received after 16th April and waiting list/appeal requests.
- We will only accept additional preferences if you have not used all five, if you are requesting an undersubscribed school or there has been a significant change or exceptional circumstances exist. Parents can apply from 1st September for schools not previously applied for.
- All late applications for other admission authorities or other Local Authorities will be sent to them but they may not be able to consider them.
- **Moving house**
If you have recently moved house, you must send us proof of your new address. This would need to be a council tax, gas, electricity or phone bill, a child benefit document in your name or that of your child.
When considering applications, we use the child's permanent address at the time of admission. If you expect to move by September but you are still living at your current address when you apply, we can only consider your application from the new address if you provide the following documents:-

Continued on next page

Step 4 continued

What if I miss the deadline or want to change my preferences? (continued)

- Proof of completion on your new property and a solicitor's letter to confirm the sale of your previous property; or
- A rental agreement on the new property and confirmation of the sale or ending of your tenancy agreement for the previous property.

We will not accept mortgage offers or letters from estate agents as proof. If your house purchase or rental has not reached a stage where you can provide these documents by 10 February 2017, we will consider your application from your current address. However, it is important that you tell us if you move house at any time as it could affect your child's allocation.

Step 5

What happens if I don't get the school I want?

- If we are unable to give you any of your preferred schools, we will offer your child another school with an available place. This may include faith schools. We decide which is the most appropriate school, taking into consideration all children without a school place and available bus routes. If you do not apply for a local school and it becomes full, it is likely that the nearest school that we can offer will be some distance from your home. We can only offer an alternative school that has places available after all applications for that school have been considered.
- You can ask for your child's name to go on a waiting list for any schools that you applied for. Your child cannot be placed on a waiting list for a school that you did not apply for unless there is a significant change in your circumstances (for example if you move house) or exceptional circumstances. If any places become available, they will be filled in line with the admission policy and not how long the name has been on the list. Most schools' waiting lists close at the end of the school year in July 2018.
- You can make a formal appeal to an independent appeal panel, for any school that you have applied for. This is a legal process and places are not 'reserved' for appeal panels to offer. The Government has set a limit on the size of infant classes and this means that no reception, year 1 or year 2 class can have more than 30 children with one teacher. If your child has been refused a place because there are already 30 children in the class, your appeal could only be successful if we have made a mistake or acted totally unreasonably. Only 1:5 appeals for reception are successful because of the infant class size law.
- You can get appeal forms from the Admissions Team for most schools except Dixons Allerton Academy, Dixons Music Primary, St Anne's, St Anthony's (Clayton), St John the Evangelist, St Joseph's (Keighley), St Walburga's and St Winefride's Catholic Primary schools. For these schools you must contact the schools direct for an appeal form. For schools in other local authorities, you must contact the relevant local authority.

We urge you to accept a place at the school you have been offered – it will not affect your chances of getting a place at your preferred school either from the waiting list or at appeal. You could risk not having a school for your child to attend in September if you do not accept an offer.

Please ensure you remove your child from the waiting lists of other schools once you are happy with the offered school. If you remain on the waiting list and a place becomes available you could lose the place you are happy with as we will automatically change your allocated school and we may not be able to change it back.

Step 6 Financial help

School Meals and Clothing

Bradford Council no longer provides an allowance for low income families. This responsibility has been taken over by the schools, to provide parents with support where appropriate. This will vary from school to school. Please contact your allocated school for further information.

From September 2014 all children in reception, year 1 and year 2 in state-funded schools will receive free school meals. However, if you receive benefits, your child may be entitled to free school meals no matter what year they are in. Families should apply if they get any of these benefits:

- Child Tax Credit with an annual income less than £16,190, provided you are not receiving Work Tax Credit
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- The Guaranteed element of State Pension Credit
- Support under Part VI of the Immigration and Asylum Act 1999

You should make your application after you have received your allocated school place.

You can get advice on free school meals at www.bradford.gov.uk/schoolmeals by phoning (01274) 432772 or by visiting any Council Enquiry Office

The Journey to School

Changes to assistance with travel from home to school

The Travel Policies for home to school and college has changed. The Council has removed most of the discretionary assistance it previously provided including, to those schools attended on the basis of belief or lack of belief, the "at no extra cost" criterion, the "straight line" criterion and those children who may have historically been provided with assistance may not now be entitled to it.

The Council has looked at how it can deliver transport differently to those with additional needs and will look to provide a personal travel budget where possible or travel training where appropriate.

Children starting a new school from September 2017 or applying for school travel for the first time will be assessed using the current policy. The current policy, can be found at <https://www.bradford.gov.uk/schooltravelpolicy>

Assistance with travel to school will be made only to the nearest available school to your home, otherwise assistance will not normally be provided. We consider all schools in relation to your home address which include those that are outside the Bradford District.

"Priority admission areas" used in the admission process are not taken into consideration, neither is any distinction made between single sex and co-educational schools.

Unsafe routes to school

Many routes that were previously categorised as unsafe were not taken into account when measuring the distance to school. The Council is reviewing all of its unsafe routes to school. Over many years improvements have been made to the highway system including new pavements, traffic calming, crossing facilities and speed reductions.

All routes now designated safe will be removed from the Council list. This may impact on who will qualify for free travel to school as the measured distance may now be shorter and less than the qualifying distance for assistance.

Fares and Passes

Reduced fares are available to pupils in full-time education travelling on all trains and most buses displaying the Metro symbol. Five to 18 year olds can buy a School Plus Ticket for travel on most buses (but not trains) at any time of the day including evenings and weekends.

For more information about reduced fares and bus and train times, phone Metroline on 0113 245 7676, open 8am to 8pm, seven days a week or visit the Metro website: www.generationM.co.uk

'My bus' services also operate to certain schools. If you would like more information on these services, please contact the Metro 'My bus' hotline on 0113 348 1122.

How and when to apply

Complete the application form that best meets your child's circumstances. Complete the application form that best meets your child's circumstances. For those children requiring a bus pass please download an application form from the GenerationM website at www.generationm.co.uk/passes-permits/freeschooltravel/. For children with additional needs application forms can be downloaded from the Bradford Council website, or request one from the Travel Team. Most people apply when they have their school place confirmed. Application forms should be returned by the last Friday in May in order for us to process your application for the term starting in September.

The assessment process

We determine your nearest 'suitable qualifying school' with places available at the time of allocation. If you apply outside of this time, because for example you move address; we will determine it at the time of the application.

Children below the age of eight may qualify for assistance with travel if they live over two miles walking distance from the nearest school with places. For children age eight and

Continued on next page

Step 6 continued Financial help (continued)

above the walking distance is three miles. We measure the distance along a safe walking route accompanied as necessary by an adult.

If you choose a school based on your religion or belief (or lack of belief) this will no longer be taken into account when considering an application for assistance with travel to school. Assistance will only be given to the nearest school with a place available.

There remains some limited provision for children from low income families.

Extra entitlement for children from low income families

Children from low-income families are those whose parents receive the highest level of Working Tax Credit. Assistance with travel is given to one of their three nearest schools between two and six miles from their home. Once eligible for assistance with travel because of low income, your child will receive assistance for the rest of the school year. Other changes, such as a house move or school may affect your child's eligibility for assistance.

Entitlement for children with additional needs

Children who are unable to walk to school because of their special educational needs, disability or temporary medical position may qualify for assistance. The Council is working with parent groups, schools and SEND professionals to change the way we deliver school travel for children with additional needs.

You will need to give full details on the application form and your application must be supported by specialist advice relating to the medical or behavioural needs of your child and after consultation from the school and other agencies involved in your child's well being.

Travel Provision

If your child qualifies, we will usually give them a pass to travel free on the bus or train for one journey to and from school each day. If your child has additional needs and is unable to travel by bus or train, we may provide dedicated or specialist transport.

For more detailed information on assistance with travel to school, visit the Bradford Council website, <https://www.bradford.gov.uk/schooltravelpolicy> or contact the School Travel Team on 01274 439450 or email schooltravel@bradford.gov.uk

Below is the list of schools in the Bradford District including the address and type of school. If you apply on the paper common application form, please include your preferred school's postcode.

Primary Schools in the Bradford District

School	Tel Number	Address	Type of School
Addingham Primary School	01943 830298	Bolton Road, Addingham, Ilkley, LS29 0NR	Community
