Maths

In Maths we will be looking at:

- Addition facts, adding together by counting on and finding a part.
- Subtraction facts, taking away by counting backwards and finding a part.
- Number bonds to 10 and 20
- Counting in 2's, 5's and 10's
- Geometry: 2D and 3D shapes
- Recognise and name 2D and 3D shapes
- Patterns with 2D and 3D shapes

English

In English, we will be looking at both Non-Fiction and Fiction texts and discussing their key features.
We will also be creating our own recipes using instructions and creating our own Acrostic poems. We will then move on to sequencing and retelling different stories with familiar settings through story maps.

We will end the half term by learning about letter writing and reading our story 'The Jolly Postman'

Important things to remember

P.E. is on a Wednesday.

Library is on a Monday.

Friday 21 December 2018

School Re-Opens –
Monday 7 January 2019

Year 1 Events

Firework's Evening –
Thursday 1 November 2018

Christmas Crafts – 4and 5 December 2018

Cavendish Primary School

Year 1 notices

Please ensure all uniform and belongings are labelled with your child's name.

Please ensure your child brings their reading and library book with them every day.

Please make sure that your child has suitable warm clothing for lunchtimes and outdoor learning as the weather is getting colder. They will also need both an indoor and outdoor PE kit.

Topic- Frozen Escapes!

This half term we will find out more about frozen landscapes and recognise the difference between cold and warm places. We will be identifying the different animals that live in hot and cold countries and focus on their habitats and adaptations.

Throughout this topic, we will find out more about the different seasons and the changes we observe as we move through the seasons. We will be focusing on a famous explorer who explored the North Pole and look at how they contributed to National achievements.

ICT

We will be developing some basic skills when using the computers such as copying and pasting images. We will use these skills to create a Christmas card digitally.
