Maths

In Maths we will be learning to:

- count in 3's.
- use the more and less sign to compare two numbers.
- multiply using repeated addition and arrays.
- identify corresponding division and multiplication facts

For up to date, weekly Maths learning resources please see the White Rose Maths website here.

Don't forget to log in to Numbots and My Maths for even more Maths activities.

PE

In PE our topic is 'Dance'. We will learn different dance moves before creating our own routines to music.

English

We will read Handa's Surprise in English and learn to, retell it, create our own story maps and eventually write our own version. We will then learn how to write instructions and make an exotic fruit salad. We will also be learning about Chinese New Year and writing a letter to a friend to explain what happens in the celebration. We will finish by reading, 'Monkey Puzzle'. We will identify the rhyming words, write rhyming couplets linked to the jungle then create a rhyming riddle to perform.

For up to date online English lessons linked to current learning please click here.
Remember to log in to BugClub for your e-reading book.

Key Dates

Break up for half term
Friday 12th February 2021

Return to School
Monday 22nd February 2021

PSHE – Valuing difference

In PSHE this term we will be learning about how to keep ourselves safe. We will be thinking about how to stay safe inside your home, outside in public and on the road.

RE

In RE this term we are leaning all about prayer at home and in the Muslim community.

Year 2 – Spring 1

Miss Bradley and Mrs Kaur

Class email

2B: class2b@cavendish.bradford.sch.uk
2K: class2k@cavendish.bradford.sch.uk

If you have queries about any aspect of your child's classwork you can email the class teacher. Please do not use this address for general or urgent enquiries.

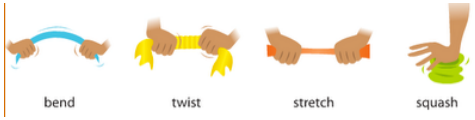
Year 2 Notices

Please make sure that your child has suitable warm clothing for lunchtimes and outdoor learning as the weather is getting colder.
Please remember to label all your child's belongings clearly in a dark pen to minimise clothing going missing.

Home learning links

Please click on blue hyperlinks and headers to take you to online learning resources linked to each subject.

Cavendish Primary School



Science- Squash, bend, twist and stretch

In Science we will find out how the shapes of solids made from different materials can be changed by squashing, bending, twisting and stretching.
https://classroom.thenational.academy/units/changing-materials-0397

Geography- Food journeys

We will be exploring how food is bought and consumed within the UK, including where it has come from. We will use atlases and globes to locate the UK and other countries around the world and track the journey our food goes on.
https://www.bbc.co.uk/bitesize/topics/zpvycdm

ICT – We are photographers

In ICT children will review photos online, practise using a digital camera, take photos of nature, edit their photos, and then select their best images to include in a shared portfolio.

Use any technology you have at home to explore taking photos.
