

November 2018

Dear Parent/Carer,

We are very excited to let you know about our new reading scheme, Bug Club, which we have purchased to supplement our reading books in school. Children will have access to these high-interest, engaging texts during their independent and whole class reading sessions across school. KS2 have just started using the new texts for their daily morning reading sessions and the feedback from children has already been very positive!

We have also purchased the online subscription to the new home/school reading books so children can enjoy accessing their reading book online both at school and home. Please look out for your child's log in details coming home this week – they will be on a sticky label placed inside their reading record. Class teachers will assign the relevant book band level to your child so they will have a fabulous choice of engaging eBooks to choose from.

Happy reading!

Yours sincerely

Rachel Dolby
Assistant Headteacher
