

Monday 5 October 2020

Dear Parent/Carer,

At Cavendish, we supplement our reading books in school with an exciting scheme called Bug Club. Children have access to these high-interest, engaging texts during their independent and whole class reading sessions across school. We also purchase the online subscription to all the home/school reading books so children can enjoy accessing their reading book online both at school and home.

Please look out for your child's log in details coming home – they will be on a sticky label placed inside their reading record. The reception class teachers will assign the relevant book band level to your child so they will have a fabulous choice of engaging eBooks to choose from.

Happy reading!

Kind Regards,

Rachel Dolby
Assistant Headteacher
