Create a new mnemonic that will help others in the class remember the names of the planets and their order from the sun. For example... My Vicious Earthworm Might Just Swallow Us Now.	Most Anglo-Saxons couldn't write, but those who did used Runes. Can you write your own message in Runes? 	Research Anglo-Saxon shields and helmets. What were they made of? How were they designed? Were patterns and colours important? Draw or paint a picture of your own shield or helmet design.	Measure the length of 10 objects in your house. Record your measurements in cm. Convert to m and mm.  Challenge - Can you convert your measurements into inches? Hint - 2.54cm - 1 inch	
Make a model of the solar system. Think about how you could make the planets different sizes.		Find out about the way of life for the Anglo-Saxons & Scots and write about a day in their life.	Create a timeline of the Anglo Saxon invasion and settlement.	Can you find out some more information about Sikhism? How is it similar to other faiths? How is it different to other faiths?
Plan and work out the cost for a family holiday to Germany. Think about: <ul style="list-style-type: none"> • Journey and transport • Accommodation • Food • Excursions and visits 	Imagine you are an alien who has crash landed on Earth. Write a diary entry about your first day on the planet explaining your thoughts about it and your feelings towards it. How is it similar to your planet? How is it different? What new things did you learn?	Write the words 'SOLAR SYSTEM' going down on paper and use these to write an acrostic poem about our solar system. Make sure you use a range of descriptive techniques e.g. adjectives, adverbs, similes, expanded noun phrases etc.	Think about your aspirations for the future. What do you want to be when you're older? What steps do you think you need to take to achieve this dream?
